Statement of Purpose:

Action Dallas PAC maintains an unapologetic grounding in Biblical values, and seeks to support public policy that promotes Biblical truth. The values of our Founding Fathers aren't old-fashioned ideas that have gone out of style. They are the truths that powered the most prosperous and moral society in the history of the world.

Action Dallas PAC wants to support candidates that will take conservative values from an intellectual abstraction to a piece of legislation and ultimately turn proposed legislation into law. We believe there is a hunger among our fellow citizens for policy solutions grounded in the values of our nation's founding.

Dear Representative Fletcher,

Action Dallas PAC met last Thursday and gave their endorsement of your candidacy for State House District 130.

We celebrate your excellent record of votes for Pro-Life, Pro-Marriage, Pro-Family, and Pro-Faith legislation. We believe that the people of Texas excel when they are challenged to fiscal discipline, personal responsibility, and respect for our Creator. These standards must set by our laws and enforced by our courts.

We would be happy for you to use this endorsement in any way helpful to your campaign. May God bless your candidacy.

In His service,
