Dear Representative Fletcher,

Life PAC is a new political action committee started by Kyleen Wright, President, Texans for Life Committee and Carol Everett, CEO/Founder, The Heidi Group. Life PAC is currently endorsing candidates who have a proven history of supporting pro-life legislation.

Because of your proven support, we are pleased to offer you the endorsement for your race. We appreciate all you do and have done for Life. We especially commend you for your support of the historic HB 2 passed last summer in Special Session. You stood for women and babies, and as a result, we are proud to stand for you!

We are here to assist you with information and data regarding the full range of pro-life issues. Please feel free to contact us at anytime and to share with us the best way to communicate with you during the upcoming session.

If there is anything we can do to help you in your race, please let us know. Thank you, again!

Sincerely,

Kyleen Wright
